

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I've tried to call our local Sinclair Broadcasting station, KMWB, WB 23 in St. Paul, MN at (651) 646-2300 and they do not answer their phones. It is 11:30 a.m. and today is Friday...normal working hours.. I am frustrated they have chosen to "hide" from their attempt to do harm during this year's election. What a travesty that we can't get an honest election in our own country!

Please help all Americans have a truly "free" media.  
Thank you.
